- 14" Active Matrix colour LCD 1920 x 1200 (up to 350cd/m²)
- Light weight: 1.039kg
- Battery life up to 12.5 hours

Series 3 intel core ULTRA 5 | Copilot+PC

Panasonic CONNECT

FC7

Made for business. Built in Japan. The Let's note FC7 combines more than 30 years of Japanese laptop engineering expertise with a lightweight, durable design built for modern business. At just 1.039 kg, it pairs a spacious 14-inch 16:10 display with AI-ready performance, extensive connectivity and intuitive features designed around everyday productivity. Its magnesium-alloy construction and MIL-STD-810H testing provide added durability on the move, while the user replaceable battery, advanced security and Red Hat Enterprise Linux 10 certification support long-term, flexible deployment. From its design and R&D in Osaka to production in Kobe, the Let's note FC7 reflects decades of Japanese engineering, craftsmanship and quality.
