ADDITIONAL WARRANTY INFORMATION

With this warranty, the user will receive a replacement battery when they call the Panasonic Service Centre.

The battery capacity has to drop below 50% in order to make a claim. Toughbook and Toughpad devices covered under this service are eligible to receive up to one battery per year for the duration of the extended warranty period. This warranty requires the model number and serial number be submitted at the time of purchase.

This warranty does not cover damage that occurs in shipment or failures that are caused by products not supplied by Panasonic, or failures that result from alteration, accident, misuse, introduction of liquid or other foreign matter into the unit, abuse, neglect, installation, improper maintenance, modification or service by anyone other than our Panasonic Service Centre or a Panasonic Authorized Service Partner or damage that is attributable to acts of God.

WARRANTY PROCEDURE

01. If there is a claim and the Battery does not charge above 50%, please contact the Panasonic Helpdesk (toughbooksupport@eu.panasonic.com).
02. For service under this contract, customers must provide the Panasonic Helpdesk with the company details and the full model and serial number of the device in which the battery is being used.
03. The Panasonic Helpdesk will issue a repair reference number (RMA Number) and arrange the collection of the device.
04. A claim for an exchange of the battery under warranty is subject to an inspection and confirmation of the battery's capacity from the Panasonic Service Centre (for further information, please refer to the terms and conditions available at www.toughbook.eu/proservices).
05. The battery will be exchanged at the Panasonic Service Centre (if the capacity below 50% has been confirmed) and shipped via the Panasonic courier within 96 hours.*
