

PRODUCT CHANGE NOTIFICATION

PCN-NUMBER:	PCN_C0821001
DATE OF PUBLICATION:	18.08.2021
SUBJECT:	Foam sealing of FZ-G1 Radio 2.0 solutions not available anymore.
PRODUCT(S) EFFECTED:	FZ-G1 Trimble Radio 2.0 & FZ-G1 Leica IrBT 2.0
TYPE:	Software, Component , Specification, Certificate, Accessory, EOL, Others
CHANGE DESCRIPTION:	<p>This is a formal announcement regarding the foam sealing from the Version 2.0 of our FZ-G1 radio solutions being discontinued.</p> <p>Starting from 01.10.21 the Version 2.0 will no longer be available. Meaning all incoming FZ-G1 repair units (of “products effected” above) will end up being upgraded to Version 3.0 with another sealing and housing.</p> <p>Please contact your PWA support for special upgrade offers, upcoming repairs and new possibilities.</p>
IMPACT:	The affected products mentioned in the change description can no longer be repaired in its original manufactured way.
EFFECTIVE DATE:	18.08.2021
